edward wild the controversial union general who headed the all black african brigade in the civil war was one of the most loved and most hated figures of the 19th century the man was neither understood nor appreciated by military or civilian black or white northerner or

southerner after enlisting at the outbreak of the war wild was promoted to brigadier general and placed in charge of the united states colored troops in fulfilling his assignment to free slaves and gain recruits he took three women as hostages and ordered a great deal of property destruction he freed hundreds perhaps thousands of slaves and settled them safely on roanoke island wild then not only recruited the newly freed blacks but trained them and gave them the opportunity to prove their worth in battle nobody it seems was happy about serving with them but the african brigade performed courageously in several battles wild did some inexplicable things were his actions typical of the 19th century or did he act outside the norm was the criticism he suffered from his fellow union officers valid or was it due to personality conflicts did he deserve to be arrested court martialed and even wiped from the history books or was he the victim of discrimination this work draws its answers from extensive research and includes many rare letters to and from wild including one from one of the north carolinian hostages

ways harsh and wild is a story of adventure and hardship in the yukon and alaska of goldrush days but even more it is an account of four people who courted this adventure and endured this hardship bill walker who was seventeen years old in march 1900 when he escorted a team of horses from victoria to lake bennett in the yukon his friend ted compton of english gentry stock whose resourcefulness and instinct for surviving in the harsh northern wilderness fortified young bill and helped him learn his own strength maude bill s sister and ted s wife as strong willed and independent as any modern day women s libber who was bred a lady and carried her dreams with her into the cold north and gentle but exuberant alice a courageous eighteen years old when she joined bill as his bride in the goldfields of alaska through the eyes of these four friends the forbidding wilderness stands out starkly cold so intense it could cause an axe to snap in two wild storms that struck without warning and travellers who defied those storms tales of men maddened by greed or loneliness of others sustained by comradeship or uplifted by another s courage here played out in an uncompromising landscape of frozen earth and turbulent waters is the drama of a pioneering family who learned to respect that landscape and to survive in spite of it jacket

it is strange that i can never think of writing any account of my life without thinking of pauline mills and wondering what she will say of it pauline is rather given to reading the autobiographies of distinguished people unless she has left off since i disappointed her and finding in them new persuasions of the fundamental lightness of her scheme of things i recall very well how when i was having the bad time of my life there in chicago she would abound in consoling instances from one then appearing in the monthly magazines skidding over the obvious derivation of the biographist s son from the lord knows who except that it wasn t from the man to whom she was legally married to fix on the foolish detail of the child s tempers and woolly lambs as the advertisement of that true womanliness which pauline loves to pluck from every feminine bush there was also a great deal in that story about a certain other celebrity for her relations to whom the writer was

blackballed in a club of which i afterward became a member and i think it was the things pauline said about one of the rewards of genius being the privilege of association with such transcendent personalities on a footing which permitted one to call them by their first names in one s reminiscences that gave me the notion of writing this book it has struck me as humorous to a degree that in this sort of writing the really important things are usually left out
